

Activity Tracker GUI Screenshots

1) Login page

The screenshot shows a web browser window with a login page for 'Activity Tracker'. On the left, there is a vertical banner image of a person running on a dirt path at sunset, with the text 'ACTIVITY TRACKER' in white on a dark grey background at the bottom. The main content area is white and contains a login form. At the top right of the form area, there is a link 'New User?' next to a red 'Sign up' button. Below this, the form has two input fields: 'Username' and 'Password'. Under the 'Password' field is a red 'Log In' button. At the bottom of the form area is a link 'Forgot Password ?'.

2) Signup Page

A registration form window with a title bar containing a small icon, a minus sign, a maximize button, and a close button. The form is divided into two main sections. The left section features a dark gray header with the word "REGISTRATION" in a white, stylized font, and a photograph below it showing a person's hands tying a black and white sneaker. The right section contains a series of input fields and a button. The fields are labeled "First Name", "Last Name", "Username", "Email", "Password", "Confirm Password", "Security Question", and "Security Answer". The "Security Question" field is a dropdown menu. At the bottom of the form is a red button labeled "Sign Up".

3) Home page

The image shows a web application interface with a sidebar on the left and a main content area on the right. The sidebar has a geometric, low-poly background in shades of purple, blue, and grey. The main content area has a header bar with a geometric background in shades of orange and red.

Sidebar:

- Username**
- Email**
- Search Friends**
- Search**
- Add Device**
- Import**

Header Bar:

- Walking**
- Biking**
- +**

4) No data saved screen

The screenshot shows a web application window with a title bar containing a small icon and standard window controls (minimize, maximize, close). The interface is divided into a left sidebar and a main content area. The sidebar has a light beige background with a geometric pattern and contains the following elements: a 'Username' label, an 'Email' label, a 'Search Friends' label above a text input field, a red 'Search' button, and at the bottom, two stacked red buttons labeled 'Add Device' and 'Import'. The main content area has a white background. At the top of this area is a horizontal bar with a colorful geometric pattern, containing three yellow buttons: 'Walking', 'Biking', and a '+' button. In the center of the main content area is a single red button labeled 'Import Data'.

6) Forget password page

The image shows a web browser window with a "Forget Password?" page. On the left, there is a vertical banner. The top half of the banner is dark gray with the text "Forget Password?" in a white, monospaced font. The bottom half of the banner features a close-up of a LEGO minifigure with a yellow face, black hair, and a determined expression, holding a black weapon. The right side of the page is white and contains two input fields. The first field is labeled "Security Question" and is empty. The second field is labeled "Security Answer" and is also empty. Below these fields is a red button with the text "Next".

7) Change password page

The image shows a web application window titled "Change Password...". The window is divided into two main sections. The left section has a dark background with the text "Change Password..." in a white, stylized font. Below the text is a graphic of a blue padlock with a keyhole, set against a background of binary code (0s and 1s) and glowing blue dots. The right section has a white background and contains two input fields. The first field is labeled "New Password" and the second field is labeled "Confirm Password". Below these fields is a red button labeled "Confirm".
